

## 1. New Database Update

East Taieri is now using a new church database called Infoodle which enables us to manage information with ease. However, it is important for us to have accurate information and to ensure that the details we have for each person within our congregations is correct and up to date. This will enable us to communicate effectively and streamline processes each year including tax receipts. The information on our Infoodle database is confidential and is not available for everyone to view.

Please fill in the table below with your family's details:

Name:	Address:	Home/Cell phone:	Email address:

Which service do you attend most often? (please tick)

Fuel     10am     2pm     EPIC
